Internal Medicine Practice

Comprehensive Medical Care for Adults

Our Practice

Northwest Medical Care is dedicated to providing you with the highest quality medical care. Our Board-certified primary care physician Dr. Krithika Mullengada, MD is among the best in the region at providing high quality patient care, while creating an excellent patient experience. **The care team of Dr. Mullengada, Nurse Practitioners - Denise B Cusick & Maitanya Macalino-Manuel** encourage you to ask questions you may have about your diagnoses or treatment. They will help you to fully understand your treatment processes and their decisions that effect you.

Our friendly and caring staff is totally dedicated to making every visit to our state-of-the-art practice a comfortable and healthy experience.

To Our Veterans

We welcome Veterans to our VA authorized retail clinic for your primary care needs. Please call our office at (973) 252-1676 or check our website www.northwestmedcare.com

- Veterans eligible for VA Community Care Programs will need authorization from VA Medical Center (VAMC) or TriWest Healthcare Alliance (855) 722-2838 before seeing one of our providers in the practice.
Appointing and Authorization Process
Appointing may happen in one of the two ways:
 1. Either TriWest calls to schedule an appointment for the Veteran at our provider's office; or
 2. The VAMC calls to schedule an appointment for the Veteran at our provider's office.
- Our providers will prescribe all routine or maintenance prescriptions and must be fulfilled by the VA, and Provider will transmit such prescriptions to VA for fulfillment.
- Our office will send Secondary Authorization Requests (SAR)/Request for Services (RFS) when:
 1. A Veteran needs additional care from another provider or office.
 2. A Veteran needs continued care outside of the authorized date range; or
 3. A Veteran needs additional services not included on the original authorization
